A Petition for a 1-month extension of time, together with the requisite fee for same, is submitted herewith, thereby extending the period for response to July 23, 2004.

The following amendments and remarks are respectfully submitted. Reconsideration of the claims is respectfully requested. Entry of the claim amendments and reconsideration of the amended claims is respectfully requested, because it is believed that the claim amendments clarify the patentably distinguishing features of the present invention over the relied upon references without requiring further search to place the application in condition for allowance and the amendments were not earlier presented because the Applicants believed in good faith that the cited prior art did not disclose the present invention as previously claimed.

If there are any additional fees associated with filing of this Amendment, please charge the same to our Deposit Account No. 19-3935.
